Another magnificent milestone was reached in 2018 our 20th ANNIVERSARY!

The Foundation celebrated this special occasion by designing a 20th Anniversary logo & large advertising sign, giving each member a commemorative pen, reaching our goal of $200,000 in donations to the Fair, recognizing the founding members through booth signage, selling a record number of memberships and donating $10,000 to the NCF Horse Show Legacy Fund.

In April we had a booth at Eat & Drink Norfolk where we sold water & pop. Special thanks to Marie Collver who organized the booth & volunteers.

The two Charity BBQ’s held in May & September at the Simcoe Superstore raised $1217. Thanks to Chris, Aaron,

Anne and Rick for assisting me to organize and execute these fundraisers.

In June I presented a $10,000 cheque on behalf of the Board of Directors to the Fair for Capital Projects.

Anne Kendrick represented the Foundation at the Norfolk Federation of Agriculture meeting on September 5th. They made a $10,000 donation to us in memory of Walter Petheram. The money was directed to the Norfolk County Fair Horse Show Legacy Fund which Walter chaired. Bob Vogelzang made the presentation to recognize Walter’s outstanding contribution to his community.

In November the Foundation Board of Directors also presented NCF Vice President Debbie Morrison with a fair donation of $10,000 as a major sponsor to the Horse Show Legacy Fund.

These three donations plus others allowed us to present $33,100 to the Norfolk County Fair this year. The total donations to date are now $228,017. What an AMAZING achievement for our 20th Year!
Corporate Partnership also plays an integral part in our organization. Special thanks to Tim Hortons for donating $15,859 from their Coffee for Causes trucks at the fair. Their corporate support began in 2004 through the efforts of the late Ron Mann, a former Foundation President. We salute the generosity and involvement of the Tim Hortons Corporation in our fair and community!

Draw Winners
The Simcoe Real Canadian Superstore donated three $100 Gift Certificates for the three draw winners among the people who bought a 2019 membership at the fair.

Congratulations to Kerry Bockenholt (Waterford), Keith Jones (Port Dover) & Brian Persall (Nashville).

The winner of the 50/50 Draw was Shirley Barber from Brantford ($3822) Ticket No. 5510

Thank you Fran Haskett for chairing this event.

The Foundation Board of Directors experienced a lot of mountain top and valley experiences in our special anniversary year. We were devastated to learn in March that Walter Petheram, a founding member & Past Chairman had passed away and in May one of our directors, Sharon Dove died the week after our meeting. (Read their tributes in this issue) Their losses were deeply felt by both the fair and local community.

It has been an honor to work with such an excellent Executive (Anne, Ben & Terry), Secretary (Wendy) and Board of Directors. Their experience, feedback and dedication are valued beyond any words I could write on paper. Thank you TEAM! Special thanks to Ron Cripps for teaching us how to sell truck tickets and foundation memberships…an amazing, dedicated man!

What a privilege to have General Manager George Araujo and Fair President Brian Kenney attend our Board Meetings. We are so appreciative of their updates and reports.

The Fair staff and employees excel themselves every year in the way they assist us with all of our Fair booth & special projects. We are indebted to them for the time, suggestions and work that they cheerfully give the Foundation. Thank you is extended to Anna, Aaron, Catherine, Chantal, George, Judy, Robin, Shane, Terri & Wendy.

Thank you to each one of you the MEMBERS for buying memberships, making General and In Memorial Donations and supporting all of fundraising opportunities. We value the important role you have played in making this milestone year a very memorable one.

Congratulations to the Norfolk County Fair & Horse Show on a very successful 178th Fair! The first 6 days proved to be very challenging with all of the rain and mud but in the words of President Brian Kenney, “Once the clouds broke and the sun finally appeared the fairgrounds was bursting at the seams with record numbers.”

On behalf of the NCFF Board of Directors I would like to extend an invitation to you to attend our AGM on Monday, March 25, 2019 at 7:30pm in the Jr. Farmers Building #1. We look forward to seeing you there!

Dianne Persall (Chairman)
Meet Debbie Morrison  
President of the  
Norfolk County Fair & Horse Show

I am honoured to be the president of the Norfolk Country Agricultural Society and look forward to the year ahead.

I first got involved with the fair about 19 years ago. Sharon Judd brought me in to help with the Grade 6 Challenge. From there, as they say, the rest is history. I got involved with Kid’s World, and the Grandstand committees which I am still involved with today. I became a board member 12 years ago.

Many of you might know me as the “keeper of ACE” as I make sure that he is at the Fair Foundation barbeques.

The fair has always held a special place in my heart and life. My Grandfather, William P. Watt, was very involved as both a director and President of the board.

Agriculture is another part of my life that is very important. I proudly grew up at Maple Ridge Farm which is just north of Simcoe which was a dairy, pig and cash crop farm. Maple Ridge Pancake house was a fixture in Norfolk County for 35 years.

I currently grow approximately 200 acres of tobacco with my husband Doug Morrison and his brother Dean Morrison.

Doug and I have 3 grown children and I’m the very proud Nana of 2 beautiful grandchildren. My hobbies include golf, curling, bowling and I love to garden.

I look forward to working with the Fair Foundation and meeting all of you.

NCFF had another very successful year in 2017 thanks to the PARTNERS working together to assist us promoting and fundraising for the Fair. She paid tribute to the Foundation Directors & Executive, Fair Staff, NCAS Board of Directors, Fair General Manager George Araujo & Fair President Brian Kenney, Foundation Members and Sponsors (Tim Hortons, Scotiabank & Real Canadian Superstore). NCAS President Remarks: On behalf of President Brian Kenney, Aaron Culver, First Vice President brought greetings from the Norfolk County Fair Executive and Directors. Aaron thanked the Foundation for twenty years of a wonderful partnership. He truly appreciates the hard work and dedication put towards the mission statement of maintaining and preserving the Norfolk County Fair for future generations. He thanked the Foundation again in his closing remarks.

NCAS General Manager Remarks: George Araujo

Thank you to the Norfolk County Fair Foundation Board and Membership for your kind invitation to your Annual General Meeting.

- I think it appropriate for all of our volunteers to know the impact that Walter Petheram had on our staff. His interaction and support to staff was unsurpassed. He willfully shared his experience, knowledge and ideas for the future of the Fair and the Society. He welcomed new staff and respected all and as such gained great things for our organization. He will be dearly missed.

- Last year I spoke of the structural improvements to the Horse Show and Facilities and now a year later we are in a full-blown Capital Fundraising program. But we can’t do it without the help of the Foundation and members. To this end the Horse Show Legacy Fund has launched and we have a long way to go to raise approximately 200K that will top up the private donation from the family of John and Hazel Race, other donors and the Society. Please consider purchasing a commemorative Horse Shoe for $500 or $250 to help us meet our goal.

- Fair planning is well on its way with Committees having just completed seasonal meetings. The Truck Draw is back, having sold out last year and will be selling at Eat & Drink Norfolk. Grandstand Shows are in process of finding the right acts for Friday and Saturday night. We are hoping that the 50/50 will also return as a sell-out, led by Chair Fran Haskett.
This weekend is time for Eat & Drink Norfolk, again a winner of a Provincial Top 100 Award from Festival and Events Ontario, doors open Thursday through Saturday. We can’t emphasis how important this event is enough as a fundraiser for the Fair. Bring your adult friends and make an evening of Norfolk County’s best spring Show! The Norfolk Wildlife Festival and Adventure Show was a resounding success with great attendance and fabulous decoration and new exhibits. Thank you to all that volunteered setting up and throughout the weekend and to those that brought their children and Grand Children to the Show… it was Wild!

The Norfolk County Fair & Horse Show and the Foundation partnership is strong. Both bring greatness to our community through dedication and it’s our mutual support of each other that enhances both organizations who share a common love for the Fair!

I am honoured to be able to share some of my dear friend's memories with you.

She was always a friend who was there whenever you needed her, full of love and compassion.

She was also a hard worker. When she was on the farm, in the early days, she looked after the strawberry business, patch cleaning and planting, picking and selling strawberries all while looking after her 3 young children. Farm women will agree with me from experience, that is not an easy feat.

During the off months Sharon continued to keep busy. She worked at Roxburgh's Country Market and started studying at Fanshawe College for her Educational Assistant diploma. After receiving her diploma she began work with the Norfolk County School Board. She worked with special needs students in various schools. She retired in June 2017 from Lynndale Heights P.S.

During her years she also held Board positions with REACH and NACL.

After retirement Sharon continued with tutoring and helping at Ryerse's Garden Gallery when needed. Sharon loved her children, Gerald, Ed and Lisa. Her grandchildren, Lainie, Blake and James were her treasures.

Sharon was always so happy in her garden. She had a beautiful garden and was always trying something new. We had many treasured day trips to various garden centres. Wonderful happy memories.

Sharon was a great asset to the Fair Foundation. She could always be counted on to lend a hand. I would not have been able to oversee Eat & Drink Norfolk without her as my right hand. She was someone who went above and beyond.

She is truly missed by those who knew her.

Marie Collver
Family: In his passing we as a family were humbled to hear of how Walter would take time to share of our lives with those around him. He was very dedicated to his loving wife Sharon, us children David, Kenneth and Alice. I am sure many would have also shared the joy he had of pulling a picture of his grandson Bennett out from his daytimer, he was certainly a proud grandpa too. While our immediate family is small, Dad treated and cared for the whole community like his family.

Walter’s influence greatly shaped who we all are today. Being a farm family much of our bond was formed through work, be it on the home front or in the community at large. It’s easy to learn about hard work on the farm, but we also learned the value of dedicated volunteerism over the years through Walter. How many other kids can say they folded and stacked thousands of chairs and tables before their 10th birthday? Walter lead by doing, and you needed to really hustle to keep up to him.

Farming: The same compassion and care he gave to people was showered on his animals, be the smallest lamb, that pig with the extra spots, or even the mangiest looking barn cat. Lambing time was where dad particularly sacrificed his own sleep and wellbeing to stay in the barn all hours to make sure that every lamb got off to a good start. This added an incredible amount of labour to a typically hands off process but this was Walter’s way. This was recognized at the sale barn where lots of Walter’s lambs would consistently bring among the highest prices for the day.

Steward not only for the land, he loved to landscape the gardens and beds around the farm. I'm not sure how many know but his love of farming came indoors as well with his enjoyment of potted plants and Amaryllis bulbs that would brighten the windows in the living room. Dad was also skilled at flower arrangement, us kids wouldn’t have won fair ribbons for the arrangements of materials we collected from the ditch banks without his hand to guide us.

Walter would teach anyone about farming or answer any questions. Some of you may remember the early days of the ag awareness program where he would catch even the most stand-offish know it all with “do horses have feathers”? Of course not they would say, but yes they do – the long hair over the hoof on a draft horse is called feather. Many people during his times at Ontario Pork's Pig Mobile at the CNE or Royal Winter Fair I'm sure had a dose of ag education from his friendly, approachable and conversational style.

The Fair: As a cheerleader for new ideas, he would be able to analyze the details and ideas around the table and come up with the concise response, yet respecting some of the strong traditions of the past. Walter would always be looking for that new idea or way to share the world of agriculture to all.
The fairgrounds were the second home for the family the first week in October. Most days growing up we would either be picked up from school to head back to the fairgrounds, or head home quickly to assist with chores so we could return to the fairgrounds to close up the area for the evening. The evenings on the second and now third Tuesday of each month were also off limits. Often at times dad would need to have his daytimer at the ready to make sure committee meetings wouldn’t conflict with the many other commitments. And being on the grounds for seven days, Walter did have his favourite fair food items, The Junior Farmers Back bacon on a bun, a Dixie Dog with fries, and when time allowed for the whole family, a meal in the Directors Lounge.

His reach was far on the fair board with numerous committee postings. Working with Syl Culver and Merv Dunlop he helped create the Partners in Progress/Sponsorship program which to this day continues to connect organizations to assist the society with donations. He took up the challenge not once, but twice to serve the board in an executive capacity, steering the society into the new millennium, honoring the past and with excitement for new things in the future.

Many will know that the ag awareness program at the fair was Walter’s pride and joy. From its small beginnings to what it is today, a high caliber display area showcasing animals and producer groups helping educate all fair goers on where their food comes from. Thousands and thousands of school children have been put through the mid week program over the years that he and Sharon were the driving force behind. This is truly a legacy that has impacted multiple generations who as kids learned from him, and brought their kids back to the fair to meet the farmer that had changed their minds about modern farming.

Many people felt Walter’s influence and learned from him through his work with the Fair. Whether it be the steady work we talked about earlier, or how to run a meeting and stick to the rules of order and the constitution, or guiding a novice 4- H showman through the ring with their market hog or lamb. His hands stretched far and wide for so many whom were considered Fair Family.

**The Foundation:** Walter was a founding member of NCFF, helping steer a way of preserving the fair for future generations. His time serving saw not only him volunteering at various BBQ fundraisers, he served as foundation chair from 2004-2006. Walter also was the person who helped frame the foundation, introduce membership rates to help grow the foundation, and increase its board size to 12 members. After ten years serving in those capacities, he felt it was in good stead and stepped down, allowing others to provide new perspective as well as allowing time for focus back to the fair and the Ag Society. As it’s been echoed dad didn’t do this alone, and those actions help not just one area, but the society as a whole.

I am thankful to see Walter’s passion rub off not only on myself but the many people whom support the fair and its many activities year round. I know this in some small way will keep his 4F’s continuing on, as I know he would appreciate. We as a family were also pleased to see the support financially which was given in his name, be it to the Foundation or to one of the last capital projects he was involved with, the Horse Show Legacy Fund. I know he would be proud to see the work that will continue on from that for the good of the agricultural society from this.

I would like to thank Dianne Persall for allowing me the chance to write this tribute to Dad, along with the help I received from my brother David in helping compile the right words to give to such a great man.

A big supporter of the Fair Foundation is **Tim Hortons**, which donated all of their profits of their sales during this year’s Fair.

This year’s fair received a very generous donation of **$15,859**

The Norfolk County Fair Foundation will receive **100%** of the revenue earned through the sale of **Tim Hortons** products at the fair.

This revenue goes towards capital improvements to the fairgrounds and its buildings to provide accessibility, update equipment, ensure a safe environment and to enhance your experience when you visit our events!

Randy Goudeseune joined the Norfolk County Fair Foundation in March of 2008. It was by pure accident that during a post fair wrap up we learned of Randy’s talent as an artist.

This past fair saw more rain than sunshine and our parking lots turned into fields of mud...Hence the drawing Randy did up for us... quite funny, but not funny at the time for our Parking Committee.. So Kudos to them!

And thank you Randy for showing us your talent for drawing!
