But I Don't Have A Library Card!

You can get your **free** Library Card at any of our 5 Library Branches! Just bring your parent/guardian with you, and make sure they have identification with their name and address with them (like a driver's license or piece of mail).

You can also be issued a Virtual Library Card if you aren't able to come into the library by having your parent/guardian email both yours and their first and last names, phone number, and address, and attaching a picture of their identification. These emails can be sent to Norfolk.Library@norfolkcounty.ca

Please note that if you already have a physical Library Card, this is the same as a Virtual Library Card. Both will grant you access to our Digital Library, but only your physical Library Card will let you borrow items directly from your local library.
