Fair fans will remember the Hunter Brothers sold-out show in 2018 delivering track after track with unparalleled quality and consistency. Real life brothers, J.J., Dusty, Luke, Brock and Ty, are no strangers to hard work, perseverance and discipline. Life on a family farm wasn't always easy, but the brothers attribute much of their success to their rural upbringing in a home dedicated to faith, music and sport. With over 46 million video & audio streams to date, Hunter Brothers have amassed a large volume of industry credibility in a record amount of time, including multiple CCMA Award nominations, JUNO Award nominations and SCMA Award wins.

Hunter Brothers' third studio album, *Been A Minute*, hit all digital platforms on June 30th, and is a compilation of their signature harmonies and up-tempo hits which delve into the heart of the times the world is presently walking through. Their sophomore album, *State of Mind*, was released in 2019 and remained the #1 selling country album for four consecutive weeks following its release. "Lost" (their first #1 single at country radio), "Those Were the Nights" (from their debut album *Getaway*) and their Top 10 smash hit "Born and Raised" have all been certified Gold in Canada. In 2020, Hunter Brothers were the #3 most played Group or Duo on country radio in Canada. Known for their energetic and entertaining live shows, the group has played major country festivals in Canada and the U.S., and toured with country icon Paul Brandt.

On Saturday, October 8th Walk off the Earth takes to the stage at the Norfolk County Fair & Horse Show with Party on the Track gates opening at 6:30pm . Walk off the Earth is a Juno Award-winning multi-platinum musical phenomenon from the Toronto area that was thrust onto the international stage in 2012 with the song “Somebody That I Used to Know” and continues to take the world by storm. In the past couple of years alone they’ve headlined the famed Red Rocks Amphitheater and Wembley Arena, sold out the historic Sydney Opera House, notched a top-10 single in Canada for 30 straight weeks, and made it all the way to the top of the Pop Album chart in the United States.

Since the group’s inception, WOTE has continued to push the boundaries of what an artist can and can’t do. Their YouTube covers have won them Streamy awards (the highest accolade in the online space), their renditions of the national anthem have been performed at major sporting events like IIHF World Juniors and the NBA Finals (complete with glowing reviews from Toronto Raptors players), they’ve appeared on The Ellen DeGeneres Show and Good Morning America multiple times and their original songs have earned numerous high-profile accolades (“Red Hands” achieved #1 at AAA radio while “Rule The World”, “Fire In My Soul” & “I’ll Be There” have all achieved multi-platinum certification).
