JUNIOR FAIR ENTRY RULES 2023

WHO CAN ENTER?

Anyone can enter the fair competitions, no matter where you live in the world, but check your competition to make sure that you qualify.

You must enter your own original work.

You can only enter items that we've never seen before, which means that if you've entered it another year, you can't enter it again this year. We cannot take entries that do not fit into a division or class.

Make sure that you find what you are entering in the prize book!

HOW OLD DO I HAVE TO BE TO ENTER?

Our Junior Fair is open to everyone under the age of eighteen on October 2, 2023 or you can enter if you are a full-time student in a secondary school. Some competitions have different age limits. Make sure that you check each division and class carefully. You can never enter a category that is for someone younger than you, but you can always enter a category in a higher age group. Sometimes, you may be asked for proof of age.

HOW DO I FILL IN AN ENTRY FORM?

Remember, you cannot enter an item in the Fair that you've entered in any other year. It must be something new for us to see. You can only enter based on the Divisions and Classes in the prize book. It is easier to fill in the forms if you know the Division, Class and Description for each item you wish to enter into the fair. If you are entering on your own and not with your school, you can also enter on-line at norfolkcountyfair.com. Only one entry per class allowed.

IS THERE A CHARGE TO MAKE ENTRIES INTO THE FAIR?

There is no fee for your original entry form into the Fair. If you need to make changes or add to your form, there is a \$1.00 per entry fee charged. Make sure you get all of your entries on your original form!

CLOSING DATE FOR ENTRY FORMS:

For 2023 the closing date for submission of entry forms to the Fair Office is Saturday, September 23, 2023 at 5:00 PM. The Fair office is open daily Monday to Friday during September from 9:00 AM to 5:00 PM (closed at 4:00 PM on Fri.). Also open Saturday, September 16 & 23, 2023 (9:00 AM to 5:00 PM) to receive entry forms. Avoid delays or disappointment and enter early.

WHAT HAPPENS AFTER I SEND IN MY ENTRY FORM?

Once we receive your entry form, we put all of your information into our computer and print entry tags (does not include Junior Poultry - where tags are placed on the cages). You can pick these up at the fair office before the Fair. You definitely need them before you can enter your item into a competition.

WHAT DO I DO WITH MY ENTRIES AFTER I PICK UP MY TAGS?

Make sure that you securely attach your entry tag onto your items. Then bring your entries to the fairgrounds. Check the building and times for receiving entries below.
